

03. Placing the patient at the center of care
Friday, 04 December 2015, 10:30-12:00

Chair(s): Alice CHRISTENSEN (Tanzania), Phumeza TISILE (South Africa)

Track: Patient-centred care

OA-316-04 **Patient-centered TB treatment approach: a cluster randomized controlled trial in Armenia, 2015**
10:30-10:40 N Truzyan, V Petrosyan, A Harutyunyan, V Khachadourian, M Thompson (*Armenia*)

OA-317-04 **Tuberculosis knowledge, attitudes and practices survey in an urban poor area with high TB prevalence rates in Rio de Janeiro, Brazil**
10:40-10:50

A C Carvalho, Lmp Oliveira, L Isidoro, V Trajano, Mlbc Mello, Tc Araujo-Jorge, Js Garcia, Sc Cavalcante (*Brazil*)

OA-318-04 **Counselling is associated with improved adherence to early phase treatment for multidrug-resistant tuberculosis**
10:50-11:00

B Sengupta, K Roy, Amba Dutta, S Sahoo (*India*)

OA-319-04 **Ambulatory vs. hospital-based treatment for MDR-TB under programmatic conditions**
11:00-11:10

M Kaela, N Ruswa, F Mavhunga, A Zezai (*Namibia*)

OA-320-04 **Introduction of out-patient care for DS-/MDR-TB patients in Tajikistan**
11:10-11:20

I Leimane, O Bobokhojaev, M Makhmudova, Z Abdulloeva, S Verver (*Netherlands, Tajikistan*)

OA-321-04 **Patients' perceptions of interventions to improve MDR-TB treatment completion in the Philippines**
11:20-11:30

T Tupasi, A Garfin, J Mangan, L Naval, J Pancho, M Mantala, E Kurbatova, A Golubkov (*Philippines, USA*)

OA-322-04 **Patient-centred M/XDR-TB care: what do patients in urban and rural Peru say?**
11:30-11:40

S Mookherji, K Alegria-Flores (*USA*)

OA-323-04 **Adverse drug reactions and resultant health-related quality of life during multidrug-resistant tuberculosis treatment in South Africa**
11:40-11:50

A Kelly, B Smith, Z Luo, J Farley (*USA*)

11:50-12:00 Discussion
