

## 11. Improving TB treatment outcomes Saturday, 05 December 2015, 10:30-12:00

Chair(s): Graeme Meintjes (South Africa), Timothy STERLING (USA)

Track: Drug-sensitive TB care and treatment, including trials

- OA-379-05**      **Effectiveness of a Conditional Cash Transfer Program in tuberculosis cure rate: a retrospective cohort study in Brazil**  
10:30-10:40  
A Torrens, M Sanchez, J Nery, D Barreira, D Rasella (*Brazil*)
- OA-380-05**      **Development and validation of a simplified prognostic score for tuberculosis under the tuberculosis program in a sub-Saharan African setting**  
10:40-10:50  
Ew Pefura-Yone, Ad Balkissou, V Poka, Hk Fatime Abaicho, Pt Enono-Edende, C Kuaban, Ap Kengne (*Cameroon*)
- OA-381-05**      **The impact of referring of patients with tuberculosis from a mega-tuberculosis center to a peripheral health care center on loss to follow-up**  
10:50-11:00  
Ew Pefura-Yone, Hk Fatime Abaicho, Ad Balkissou, Ap Kengne (*Cameroon*)
- OA-382-05**      **High MDR-TB rates among successfully treated new smear-positive TB patients using the intermittent regimen under the DOTS strategy**  
11:00-11:10  
D Garg, N Garg (*India*)
- OA-383-05**      **Low rifampicin levels in patients treated with intermittent anti-tuberculosis regimens in India**  
11:10-11:20  
G Ramachandran, Hk Agibothu Kupparam, C Vedachalam, J Lavanya, S Swaminathan (*India*)
- OA-384-05**      **Cost-effectiveness of different models of treatment for DR-TB patients in KwaZulu-Natal, South Africa**  
11:20-11:30  
M Loveday, K Wallengren, J Brust, A Voce, N Padayatchi, J Ngozo, Z Radebe, E Daviaud (*South Africa, USA*)
- OA-385-05**      **Predictors of 2-month culture conversion in pulmonary tuberculosis**  
11:30-11:40  
W Smythe, J Pasipanodya, P Denti, C Merle, P Olliaro, T Gumbo, H Mcilleron (*South Africa, USA, Switzerland*)
- OA-386-05**      **TB treatment outcomes among participants in the XTEND trial**  
11:40-11:50  
K Fielding, K Mccarthy, S Ginindza, V Chihota, S Charalambous, G Churchyard, A Grant (*UK, South Africa*)
- 11 :50-12 :00      Discussion
