

23. TB in children, including MDR
Sunday, 06 December 2015, 13:30-15:00

Chair(s): Simon SCHAAF (South Africa), Anna MANDALAKAS (USA)

Track: TB in children

- OA-475-06** **High frequency of pulmonary non-tuberculous mycobacteria in HIV-infected children with presumed tuberculosis in South-East Asia**
13:30-13:40
B Dim, S Goyet, L Borand, T N L Nguyen, Th Pham, S Godreuil, V Ung, O Marcy (*Cambodia, Viet Nam, France*)
- OA-476-06** **Tuberculosis among adolescents and children along the cascade of HIV care in two regions of Ethiopia**
13:40-13:50
Dj Dare, W Abebe, Kt Gari, M Aseresa Melese, P G Suarez, A Ruff (*Ethiopia, USA*)
- OA-477-06** **Risk factors for active tuberculosis among child contacts of recently diagnosed adults with sputum smear-positive tuberculosis**
13:50-14:00
U Egere, T Togun, S Abdou, J Otu, B Kampmann (*Gambia, UK*)
- OA-478-06** **Surveillance of childhood tuberculosis drug resistance in Cape Town, South Africa: increasing rifampicin mono-resistance**
14:00-14:10
H S Schaaf, E Walters, A Hesselning, C Rautenbach, C Bosch, A Garcia-Prats (*South Africa*)
- OA-479-06** **The pharmacokinetics and safety of ofloxacin for drug-resistant tuberculosis in children**
14:10-14:20
A Garcia-Prats, Hr Draper, K Dooley, J Seddon, S Thee, H Mcilleron, H S Schaaf, A Hesselning (*South Africa, USA, UK, Germany*)
- OA-480-06** **Developing Swaziland's first public pediatric MDR-TB contact clinic**
14:20-14:30
G Mtetwa, P Ustero, R Golin, J Glickman, P Swamy, B Tsabedze, M Hlatshwayo, A Mandalakas (*Swaziland, USA*)
- OA-481-06** **Survival of children with HIV infection and drug-resistant TB in three provinces in South Africa, 2005–2010**
14:30-14:40
S Morris, E Hall, S Smith, N Ismail, R Odendaal, N Ndjeka, H Menzies, M Van Der Walt (*USA, South Africa*)
- OA-482-06** **The management of child multidrug-resistant tuberculosis contacts across Europe**
14:40-14:50
A Turkova, M Tebruegge, F Brinkmann, M Tsolia, F Mouchet, B Kampmann, J Seddon (*UK, Greece, Belgium*)
- 14:50-15:00 Discussion
